

Media-Enhanced Science Project Proposal Sheet

When planning the components of your project **you must consider a broad topic, which you will be studying**. The three project components should fall neatly under that topic, as ways that you will explore and communicate your learning to the group.

Name: _____

Broad Topic: _____

3 Mini Project Components

Category A Choice: _____

Rationale: (How will this relate to our theme?)

Category B Choice: _____

Rationale: (How will this relate to our theme?)

Category C Choice: _____

Rationale: (How will this relate to our theme?)

Project Idea Discussed with Instructor: YES NO

Instructor Approval: YES NO
